What is CASA?

CASA stands for Court Appointed Special Advocates. CASA's mission is to provide volunteers to serve as independent voices in court for abused and neglected children in the South Plains area. CASA volunteers are trained and court appointed to investigate, monitor, report, and serve as advocates for the best interests of children in the court system. The CASA volunteer is there to help secure a permanent placement for the child in a caring environment. Our work is based on the belief that every child deserves a safe and permanent home.

Friends of CASA is a way for individuals to get involved with CASA without becoming a child advocate.
